

## **Privacy Declaration**

Within this declaration we would like to show you how carefully Delta Marine Crewing deals with your personal data and privacy adhering to the rules and regulations of the General Data Protection Regulation (GDPR). This counts for Seafarers, employers, candidates, relations, clients, suppliers, government agencies, visitors of our website and all persons of whom we have data on file.

Your privacy is very important to Delta Marine Crewing when you leave your personal data with us via the website or per e-mail. We will treat your personal data only according the privacy policies as subscribed in this document.

Our computer systems are secured with the utmost care, with this we guarantee the digital safety as per GDPR.

We gather the data for recruiting perposes only.

We gather personal data with regards to the seafarers/employees working experiences. This data is gathered by you signing on via our website, application or by sending your CV, by doing so you automatically agree to active recruitment/mediation via Delta Marine Crewing. According to law we are obligated to keep certain data of employees on file. Once employed or by signing on we could ask for additional data as: Personalia, contact details, gender, nationality, date of birth, social security number, salary, functioning and absency data, seamansbook, COC and other applicable certificates that are relevant for the vacancy or employment.

When applying for a job you are not obliged to share all data with us, however the more information we have the better we can help to find a suitable job.

By agreeing to a employment contract you automatically agree to processing your wages and salary data.

This data we keep on file during the legal term after your contract or until the person or party concerned requests to subscribe or to delete the data (provided that this is legally allowed)

We only process data that are necessary to our services or data that is required by law.

Delta Marine Crewing only shares data, according to the GDPR, with her entities and clients national and international, wage and salary accountants, insurance companies, classification society, trainers, software suppliers, government. only when there is a legitimate interest, with the permission of the person concerned or with a legal obligation.
