Coronavirus

Delta Marine Crewing is keeping a close eye on the developments with regards to this virus and we try to update and advise you in time to prevent the spread of the virus within our companies employees. To achieve this we follow the advice of the Dutch government. Please keep your private travels in mind as well with below advise and information.

The Virus
Information and questions and answers with regards to the Covid-19 virus can be found on the website of the World Health Organisation Please click on the link here

In each country of the world there are patients of the Corona virus. Please click here to see the latest information with regards to the spread in specific areas

To prevent infection spread
The most important precautions to take are;

- Regularly and thoroughly clean your hands on both sides with an alcohol- based hand rub or wash them with soap and water
- Cover your mouth and nose with your bent elbow when you cough or sneeze. Maintain at least 3 feet distance between yourself and anyone who is coughing or sneezing
- Use paper tissue/towel
- Try not to touch the face, hands can transfer the virus to your eyes, nose or mouth.
- Try to avoid contact with humans that are sick/infected
- Do not travel when sick
- When you feel unwell/sick immediately inform the captain and the crewing manager of Delta Marine Crewing
- If you or a colleague feels sick seek immediate medical advice
- Follow all specific instructions on board as well as at the airport

All these instructions apply to all viruses that flue and colds can cause. At all times it is important to adhere to these instructions.

In practice
Travels to risk countries / areas are limited. Travels will only take place when safe and in consultation with our clients and seafearers. Delta Marine Crewing will not force anyone to travel to other countries.

Questions
If you are joining a Vessel for us you most likely have to travel therefore we have a few practical questions for you in the attached form here
